gear for your laptop lifestyle

Profile - for iPads, 11” Macbook Air and other tablets

The Profile Shoulder bag is a simple, elegant, top loading case designed to safely transport your iPad, MacBook Air or other tablets in style. Simple and elegant with just enough space for the essenetials and nothing more. The plush interior wraps your device in a blanket of memory foam protection that even assists in reducing screen smudges when inserted and removed. Style and functionality combine for the perfect, compact shoulder bag. Less, truly is More!
